Biographical Sketch:

> Dr. Smith graduated from The Ohio State University College of Pharmacy in 2007, completed a hospital pharmacy practice residency, and has been a Board Certified Pharmacotherapy Specialist since 2008. She has worked as a clinical pharmacist with a focus in critical care since 2008 at South Pointe Hospital, a Cleveland Clinic hospital. Dr. Smith regularly educates physicians, nurses, and medical students, as well as precepts pharmacy student annual research poster presentations at the ASHP Midyear Meeting.

She was recently a recipient of the Cleveland Clinic Caregiver Celebrations Excellence Award in the 3rd quarter of 2010 for providing quality care to intensive care unit (ICU) patients. She has also developed and collaborated on several hospital and health system-wide policies and procedures. Dr. Smith holds faculty appointments at Ohio University College of Osteopathic Medicine, The Ohio State University, NEOUCOM and University of Toledo. She is also a member of several professional pharmacy organizations at local and national levels. Dr. Smith is on various committees including the Cleveland Clinic ICU Integration Team, Code Blue Committee, ICU Committee, Critical Care sub-panel of CCHS Medical Staff P & T Committee, Surgical Care Improvement Project Committee, and the Cleveland Clinic Antimicrobial Stewardship Working Group, amongst others. She also regularly supports pharmacy management needs within the hospital.
