Medina Hospital

a Cleveland Clinic hospital

## Did you ever have a gynecological question that you were too embarrassed to ask your doctor?

Join this lively Q & A session in which you'll have the opportunity to ask your questions live, or submit questions anonymously in writing. Don't be shy – this friendly atmosphere will help you relax and find out what you need to know. Topics will include:

- **Let's talk about breasts** – what you need to know to keep them healthy.
- **Your body after babies** – what to expect when you're done expecting.
- **Stress incontinence** – understanding why it happens before and after child birth.
- **Straight talk about your period** – there's something almost everyone doesn't know about the monthly event every woman experiences.
- **Sex, sex and more sex** – everything you wanted to know about the highs and lows of libido.

As our debut event, there is no charge for this event but reservations are required.

Register online at [medinahospital.org](http://medinahospital.org) (click on News and Events) or call 330.721.5987. Deadline for registration is February 13, 2012
