The Cleveland Clinic Sleep Disorders Center is a multispecialty comprehensive program dedicated to the diagnosis and treatment of sleep disorders in children and adults. Accredited by the American Academy of Sleep Medicine, the center is comprised of specialists in neurology, pediatrics, pulmonary medicine, psychiatry, psychology, otolaryngology and dentistry.

In addition to Cleveland Clinic's Sleep Disorders Center at Marymount Hospital, the center has five other sleep-study labs for your convenience and comfort:

#### For Adult and Pediatric Sleep Studies:

- Cleveland Clinic Sleep Disorders Center at Fairhill, a state-of-the-art sleep facility, including a 9-bed sleep laboratory and outpatient clinic, just one mile east of the main campus downtown.

#### For Adults and Adolescents over age 12:

- The Courtyard by Marriott hotel in Beachwood on Cleveland's east side
- The Courtyard by Marriott hotel in Willoughby on Cleveland's east side
- The Courtyard by Marriott Airport/North hotel in North Olmsted on Cleveland's southwest side
- The Hilton Garden Inn in Twinsburg on Cleveland's southeast side
