### Site-Specific

June 15, 2017-January 4, 2018

Julia and Larry Pollock Gallery – between Q and G buildings  
Cleveland Clinic main campus

Walking through Cleveland Clinic, you may notice that certain works of art are integrated into the architectural space. Encountering a site-specific artwork becomes an indicator of what building you are in, creating a landmark and, at the same time, engaging in a visual dialogue that can be experiential or intellectual. Unlike other art seen around Cleveland Clinic, commissioned works are typically large-scale and require up to two years of planning for a distinct area. The Art Program curatorial team works closely with artists, fabricators, and architects to bring an artist's conceptual ideas to life in our facilities. Often, this process involves many different proposals and iterations before the final artwork is installed. In *Site-Specific*, viewers have the opportunity to see the development of these art projects as they unfolded.

### Art in the Afternoon

Guided art tours for those with memory loss and their care partners are offered by appointment. To register please call 216.448.0232

### Art Ambassador Tour of the Art Collection

Wednesdays and Saturdays, 11 a.m., 1 p.m., and 2:30 p.m. Meet at the Miller Lobby Info Desk (J)

### Arts Videos On-Demand

A series of short documentary films produced by Cleveland Arts Prize highlights the life and work of visual artists, musicians, writers, architects and others who have been awarded the prize. Access the videos on Patient Television On Demand (dial 51616), catalogue numbers 651-699, or at the top of each hour on Channel 44.
