

Rejuvenize Peel \$185

\$210 with dermablading and finishing treatment
Intended for moderate to severe skin imperfections.
Deep exfoliation to reveal fresh and healthy skin.
Noticeable results after one peel.

Microdermabrasion \$125

\$175 with Peel
Removal of the outer layer of dead skin cells by gently exfoliating the skin with a natural diamond tip, while vacuuming the dead skin cells away in a sterile and controlled manner. Skin will be smooth and radiant. Available at Beachwood and Chagrin Falls locations.

Perfect Derma Peel \$250

\$275 with Peel Booster
The only peel with glutathione, a super anti-aging ingredient able to repair the skin by giving it a radiant glow while refining pores, improving hyperpigmentation, diminishing fine lines and lightening acne scarring. Be prepared to leave on overnight. Includes one week post peel kit.

“Teen” Extractions and Acne Peel \$50

For our teenage patients under the care of a Cleveland Clinic provider who have a diagnosis of acne. A quick treatment that includes a cleanse, extractions, Salicylic Acid peel, and moisturizer.

TCA 25 Peel \$100

TCA stimulates collagen and elastin production for firmer, softer, suppler skin. TCA makes skin smoother and more even in tone. It is formulated for patients with moderate hyperpigmentation, sun and age spots, fine lines and wrinkles, and small scars.

Aesthetic Services

*Bridging the gap between
Beauty and Medicine.*

clevelandclinic.org/beautifulyou

Skin Care Assessment \$35

Discuss skin concerns. Review medical history and current product use. Recommend appropriate products and treatments for skin type. Makeup should not be worn to this appointment.

Skin Care Assessment Follow-up No charge

A follow-up to discuss the progress of your new skin care regimen. A yearly skin evaluation follow-up is required in order to remain active with Aesthetic Services.

Makeup Application \$50

Learn about current makeup techniques and personally customized product selection. Available at our Main campus and Elyria location

Eye Lash and Brow Tinting

Lash \$25 Brow \$20 Both \$40

Perfect for anyone who needs to darken their brows and/or lashes. Made from a plant and vegetable base. Tinting your eyebrows can instantly frame your face and darken your lashes to define them. Can last up to 6 weeks.

Our Signature Facial \$125

Unique to you, this customizable treatment begins with a deep cleansing, gentle exfoliation and continues with a personalized masque, a face and neck massage, and finishes with a luxurious moisturizer. Radiance is beautifully awakened.

Cancer Care Harmony Facial \$50

Utilizing powerful antioxidants, essential vitamins, and penetrating hydrators. This facial helps to restore optimum tone, clarity, and resilience, and give a healthy glow to fatigued skin. Recommended for patients undergoing cancer care.

HydraFacial® \$165

\$175 with suggested customized Booster
Non-invasive resurfacing procedure that includes a thorough exfoliation, chemical peel, extractions and an infusion of antioxidants and hyaluronic acid to plump, hydrate and protect the skin. No downtime. Available only at Main Campus.

Dermablading \$60

\$75 with customized mask

Micro-exfoliation of the top layer of the epidermis. This technique smooths the texture of the skin and could remove superficial facial hair. This is a quick service with no downtime. Can be added to select treatments.

Extractions \$75

This treatment includes cleansing and degreasing the skin followed by pore extractions and pH balancing finish product. Can be done on the back as well as the face.

Eye and Lip Peel \$100

Exclusively targets eyes and lips to improve fine lines, dark circles, hyperpigmentation, lip shape and lip border. For best results, a series of four is recommended.

Hand Peel \$60

A powerful combination of acids that target chronological and photoaging of the hands, including moderate hyperpigmentation and fine lines.

Neck and Chest \$100

Pamper and restore this often neglected area. Helps even out skin's appearance through reduction of hyperpigmentation, fine lines and wrinkles.

Back Treatment

Half back \$85

Full Back \$150

Great treatment for special occasions or those struggling with acne. Includes extractions and salicylic acid peel.

Traditional Peel \$100

\$125 with dermablading and finishing treatment
Ideal for all skin types. Glycolic acid or lactic acid peel at various strengths. Treatment encourages cell renewal. Excellent monthly peel for maintaining skin health. Includes customized exfoliation/correction and finishing treatment.

Illuminate Peel \$115

\$140 with dermablading and finishing treatment
A light cocktail peel that increases your skin's glow and radiance, firms and restores a more youthful appearance and improves clarity, tone and texture. No downtime.

Salicylic Acid Peel \$125

\$150 with dermablading and finishing treatment
Great for anti-aging or acneic skin. Salicylic acid is a gentle beta hydroxy acid (BHA).

Vitalize Peel \$165

\$190 with dermablading
Great for correcting hyperpigmentation, stimulating collagen growth and minimizing effects of aging.
