

Scholarly Contributions:

- Publications by members of your center since the last APR (title, date, forum – complete tables)
List all peer-reviewed publications (since September 2023):

Authors (List All)	Article Title	Journal	Publication Date
Brooks NE , Feng X, French JC, Simon R, Lipman JM, Prabhu AS.	Film Club: A Group Surgical Video Review Program. doi.org/10.1111/medu.15357	Medical Education	6/6/24
Wood N , Lerner V, & Higgins E	An Interprofessional Approach to Resident Education in Urogynecologic Procedures through Stepwise Simulation: Puerperium to Prolapse.	Journal of Surgical Simulation	2024
Neumann O & Higgins E .	Use of Simulation to Teach Obstetric and Gynecology Residents How to Care for Transgender and Gender Diverse Patients. doi:10.1007/s13669-024-00388-9	Current Obstetrics and Gynecology Reports	May 2024
Santana G, Bustamante S , Kraenzler E.	Commentary: The Need for More Learning Opportunities in Real-time Ultrasonography for Undergraduate Medical Students: A Call for Pre-Clerkship Electives. https://rdcu.be/dQQRy	Medical Science Educator	5/6/24
Pignatiello S, Horn J. Moore A, Mau KA , Distelhorst K.	Thrive: A Theory-Based Program to Support Hospital Nursing Assistants. doi: 10.1097/NNA.0000000000001398	Journal of Nursing Administration	3/2024
Duggal A, Scheraga R, Sacha GL, Wang X, Huang S,... Mireles-Cabodevila E , et al,	Forecasting disease trajectories in critical illness: comparison of probabilistic dynamic systems to static models to predict patient status in the intensive care unit. doi: 10.1136/bmjopen-2023-079243	BMJ Open	2/6/24
Liendo A, Mireles-Cabodevila E .	Closing the Gap in Patient-Ventilator Discordance Recognition. doi: https://doi.org/10.4187/respcare.11825	Respiratory Care	1/24/24
Smith-Millman M, Daniels L, Gallagher K, Aspinwall S, Brightman H,... Allan C .	Hazard Assessment and Remediation Tool for Simulation-Based Healthcare Facility Design Testing. doi: 10.1177/19375867231188151		1/1/24
Jeng M, Orsini EM, Yerge J, Mehkri O, Mireles-Cabodevila E , et al.	Nonbronchoscopic Bronchoalveolar Lavage Improves Respiratory Culture Accuracy in Critically Ill Patients doi: 10.1097/CCE.0000000000001008	Critical Care Explorer	11/16/23
Krivanek MJ, Colbert CY, Mau K , & Distelhorst K.	An Innovative Assistant Nurse Manager Residency Program Focused on Participation, Satisfaction, Promotion, and Retention. doi: 10.1097/NNA.0000000000001329	Journal of Nursing Administration	10/2023
Montane B, Abraham A, Bustamante S , et al. (2023).	Implementing an Interdisciplinary Procedure Curriculum. doi: 10.7759/cureus.44851		9/7/23

Chapters/Books published by SASC since the last APR:

Authors (List All)	Chapter/Manual	Book	Publication Date	Pages (inclusive)
--------------------	----------------	------	------------------	-------------------

Higgins E, Wood N, Neuman O, & Smalley C.	Importance of Simulation in Obstetrics and Gynecology: Essentials and Beyond	Current Progress in Obstetrics and Gynecology, Volume 8	Pending publication in 2024	
Stoller,- J, Heuer AJ, Vines D, Chatburn RL, & Mireles-Cabodevila E		Egan’s Fundamentals of Respiratory Care, 13 edition	3/28/2024	Editor
Feliciano, M (development team)	CHSE Blueprint Review Reference Manual		September 2023	1-4

Conference, Annual Meeting, and Grand Rounds Presentations by members of the Simulation and Advanced Skills Team

National/International Organization Acronyms:

- Air Medical Transport (AMT)
- American College of Obstetricians and Gynecologists (ACOG)
- American College of Surgeons (ACS)
- Association of Program Directors in Surgery (APDS)
- International Meeting for Simulation Healthcare (IMSH)
- International Nursing Association of Clinical Simulation and Learning (INACSL)
- International Pediatric Simulation Society (IPPS)
- National Association of Nurse Practitioners in Women’s Health (NPWH)
- Ohio Society of Anesthesiologists (OSA)
- Society for Academic Specialists in General Obstetrics and Gynecology (SASGOG)
- Society of OBGYN Hospitalists (SOGH)

Conference/Annual Meeting Presentation			
Presenters (Bolded names affiliated with SASC)	Date	Conference/ Meeting	Presentation Title
Kathleen Mau, DNP, APRN Tim Halverstadt, RN	6/15/24	INACSL Conference	SWOT Analysis Impact on a Simulation Center's Strategic Plan and Development of a Career Path
Kathleen Mau DNP, APRN Maureen Washock, RN	6/15/24	INACSL Conference	Incorporating High Reliability Culture into Existing Simulation Curricula
Nichole Brown PhDc, RN	6/15/24	INACSL Conference	Inattention blindness: A threat to clinical judgment
Catherine Allan, MD	5/7/24	IPPS Conference	The Impact of Physical Hazards on Team Functioning in Healthcare Teams
Erin Higgins, MD E. Fuchs V. Torbenson	May 2024	SASGOG Annual Meeting	Recipes for Success: A Simulation Breakout Session for Ob/Gyn Educators
A. Dinicu Erin Higgins, MD	May 2024	SASGOG Annual Meeting	Abdominal Surgery Simulation for Ob/Gyn Residents
Erin Higgins, MD M. Shaker A. Brant	May 2024	SASGOG Annual Meeting	Light It Up: A Simulation Model for Visual Examination of Products of Conception
K. Fleckenstein Erin Higgins, MD	May 2024	SASGOG Annual Meeting	Breaking Bad News: A Simulation-based Training Program for Ob/Gyn Residents
Nicole Brooks, MD Chelsea Feng, MD Robert Simon, MD Judith French, PhD	4/26/24	APDS Annual Meeting	The First Rule of Film Club: Setting Up a Group Video Review Program for Your Surgical Residency

Jeremy Lipman, MD Ajita Prabhu, MD			
Rena Chandra, MD Melissa Morse, MD	4/12/24	SASC Virtual Simulation Showcase	Pediatric Medical Students Skill Bootcamp
Nicole Brooks, MD C. Clammer, MD Erin Higgins, MD X. Feng, MD	3/15/24	ACS Simulation Summit	Creation of a Multidisciplinary Obstetric Critical Care Simulation Curriculum for General Surgery and Ob/Gyn Residents
Eduardo Mireles, MD	3/13/24	Congreso Nacional de Neumología y Cirugía de Tórax	SEVA Program Course
D. Baraki E. Higgins, MD C. King	Feb 2024	CREOG & SPGO Annual Meeting	Demystifying the Cavity: Hysteroscopy Basics for Trainees
O. Neumann, MD E. Higgins, MD	Feb 2024	CREOG & SPGO Annual Meeting	Better Together: Interdisciplinary Simulation Curriculum in Obstetric Critical Care
Joyce Brodnick, RN Stacey Lieux, RN	1/15/24	IMSH Conference	Difference it makes using a SP vs Manikin: Stroke sim for clinically practicing nurses
Maureen Washock RN Michelle Feliciano Nichole Brown, PhDc, RN Lisa Brown, RN Zack Wade Jessica Rinard Richard Hall Steven Lichtenberg	1/14/24	IMSH Conference	Modality Pitch Room: Making Your Case Hands-on Workshop
Millie Serrano, RN Diane Horabik, RN Kayla Schmidt, RN	1/14/24	IMSH Conference	Bedside Sternotomy Skill Development Through High-Fidelity Simulations
Nichole Brown, PhDc Jessica Rinard Lisa Brown, RN	1/14/24	IMSH Conference	VR Panel Presentation
Maureen Washock, RN Kim Sherry, RN	1/14/24	IMSH Conference	Mock Code Evaluation Tool
Dave Leifer	1/14/24	IMSH Conference	Making Ideas Come to Life
Kim Sherry, RN Rob Joseph	1/14/24	IMSH Conference	We Didn't Start the Fire: Mitigating Manikin Issues
Erin Higgins, MD R. Desai Sarah Barton (Kostiha) K. Sandu	1/14/24	IMSH Conference	Diversity, Equity and Inclusion in Simulation: An Interactive Panel Presentation for Healthcare Educators
Kathleen Mau, DNP, APRN	1/13/24	IMSH Conference	SWOT Analysis Impact on a Simulation Center's Strategic Plan and Development of a Career Path
Sarah Barton	1/13/24	IMSH Conference	Partnerships and Pipelines: Creative Ways Simulation Centers Can Bridge the Job Gap in Healthcare
Sarah Barton Maureen Washock, RN	1/13/24	IMSH Conference	Neurodiversity Done Right – Autism De-escalation Competency

Erin Higgins, MD M. Callahan, MD N. Hazen, MD T. Copp, MD et al.	1/13/24	IMSH Conference	Developing a Robust Simulation Program for Graduate Medical Education: An Interactive Workshop for All Stages of Program Development
Issra Osman Sergio Bustamante, MD	1/13/24	IMSH Conference	Early Ultrasonography Skills Development: Simulation-Based Procedural Training for Pre-Clerkship Medical Students
Eduardo Mireles, MD	1/11/24	University of Miami Pul. And Critical Care Grand Rounds	The State of the Universe of Modes of Mechanical Ventilation
Michelle Feliciano Nicole Brooks, MD	12/13/23	SASC Annual Poster Showcase	Effect of In-Person Versus Remote Observation on DASH Outcomes
Denise Weber, APP Erin Higgins, MD	10/30/23	NPWH Conference	Simulation-based Training Program for Advanced Practice Providers in Outpatient Gynecologic Procedures
David Holloway, APP	10/24/23	AMT Conference	Ultrasound in Critical Care Transport
Amy Moore,	12/12/23	Anesthesiology Residency Interns (PGY-1)	Writing, Presenting & Publishing a Case Report (PGY-1 Course) 2X2X2
Tyler Jones, APP	10/8/23	Chest Conference	The Incidence of Severe Complications of Procedures Independently Performed by APRNs/PAs in One Large Private Academic Center: Safe and Effective Placement Through Simulation
A. Brant, MD R. Shin, MD M. Wilcox, MD Erin Higgins, MD	October 2023	ACOG Districts I & V Annual District Meeting	Family Planning Education in a Post-Roe World: Abortion & Contraception Workshop
H. Gebeshian, MD J. Horvat, MD Erin Higgins, MD	9/9/23	SOGH Conference	Surgical Cross-Training Program for Inpatient APRNs in Obstetrics
O. Neumann, MD M. Kostura, MD C. Smalley, MD Erin Higgins, MD	9/9/23	SOGH Conference	Integrated Expertise: A Multidisciplinary Simulation-Based Curriculum in Obstetric Emergencies
C. Klammer, MD Nicole Brooks, MD Erin Higgins, MD	9/9/23	SOGH Conference	Development of an Interdisciplinary Obstetric Sepsis Simulation Curriculum for Ob/Gyn and General Surgery Residents
Education Institute/SASC Grand Rounds Presentations			
Erin Higgins, MD	12/18/23	Education Institute Grand Rounds	Simulation-based Education
Lauren Moore, MD	12/18/23	Education Institute Grand Rounds	Presentation of Fellowship Project
Lacey Hood, PA-C	11/13/23	Education Institute Grand Rounds	Presentation of Fellowship Project
