

# 2025 Simulation Educator Workshop

Cleveland Clinic offers two ways to participate in the Standard Simulation Educator Workshop (SEW). Whether you choose to attend in person or remotely, you will receive the same educational content.

These activities have been approved for AMA PRA Category 1 Credits, ANCC Contacts Hours, and AAPA Category 1 CME. Total credit hours will be shared closer to the course.

## Required Prerequisite Online Learning

All workshop attendees are required to take the prerequisite *Introduction to Healthcare Simulation Modules* before their in-person or online workshop. This module is offered as an asynchronous online experience. Content includes: Introduction to simulation, adult and experiential learning theories and best practices in briefing and preparation, facilitation, debriefing and simulation-based education.

## Two-day Onsite Workshop

The standard two-day in-person workshop will be presented at Cleveland Clinic's main campus in Cleveland, Ohio.

### Content includes:

- Application of fundamentals of debriefing
- Facilitation of practice with real-time feedback
- Advocacy/inquiry structure and application
- Dissecting the elements in the Debriefing Assessment in Simulation Healthcare (DASH) tool
- Attention to scenario design
