

# 2023-2024 Academic Calendar

All visiting student rotations are scheduled as 4-week block rotations only. Rotations must be scheduled based on our academic calendar (dates listed below). Exceptions are unlikely to avoid overlap. Each student is limited to a maximum of two *different* elective rotations.

Remember, priority is given to our own students for scheduling electives. Therefore, confirmation will not be given to visiting students more than 30-60 days prior to the start date.
