Hi, I'm Maisie!

Maisie, Age 8 | Aplastic Anemia

I am a patient at Cleveland Clinic Children's. When I was 6 years old I was diagnosed with a rare condition called aplastic anemia. I've spent a lot of time in the hospital. Sometimes I felt OK and other times I didn't feel well at all. No matter what, my doctors and nurses at Cleveland Clinic Children's always made me feel better. Because they took such good care of me, I am back to school! I am also keeping busy with other activities like tennis, voice lessons, swimming, and I'm even training for my first VeloSano ride this summer! I am so thankful for the team that took care of me at Cleveland Clinic Children's.

I was in the hospital for a long time. I was so excited when I finally got to come home. My parents threw me a BIG birthday party. We invited all of our friends, and, as presents, my guests gave to Cleveland Clinic Children's in my honor. It was the best way to say thank you!

There are a lot of other kids just like me who are still in the hospital. Would you consider supporting them so they can go home and feel better, too?

This toolkit will give you all of the details you need to know, and how to get started. Thank you so much for helping kids like me. Have lots of fun!

—Maisie

➤ **Birthday party** – Plan a birthday party, but instead of collecting gifts, collect donations for a child who might be spending a birthday in the hospital this year. On your big day, don't forget to reveal the difference you and your guests have made!

- **Ice cream social** – We all scream for ice cream! Host an ice cream social at your local park. Collect donations for every scoop served!

Online Fundraising Pages

Create an online fundraising page for yourself or your team. Online fundraising pages are a great way to maximize your fundraising support from friends and family.

Online Fundraising Tips:

1. Personalize your page by adding your own text and pictures.

Make sure to include why you're hosting the event and/or creating the fundraising page.

2. Be the first donation to your fundraising page.

By making your own donation, others will see how dedicated you are to fundraising for Cleveland Clinic Children's and are more likely to donate themselves.

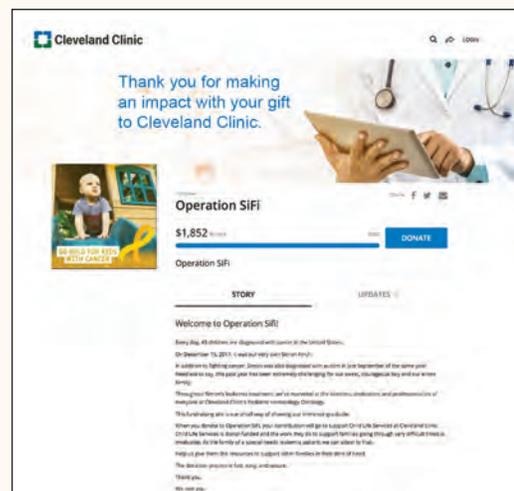

3. Set a realistic fundraising goal, and try to beat it!

Our website will suggest a \$500 goal, but feel free to change it to fit your personal goals. Try setting a weekly goal for yourself to keep on track.

4. Set a fundraising deadline.

Establish a timeframe for reaching your goal. Make sure to communicate the end date with your contacts.

Frequently Asked Questions

How do I know if my event has been approved by Cleveland Clinic?

- › The Community Fundraising team will respond to your submission within 10 business days to either approve your event or request further information.

Can I use Cleveland Clinic Children's tax exemption number?

- › Cleveland Clinic Children's is not hosting your event, so it's considered a third-party event. Because of this, Cleveland Clinic is not able to provide its tax ID number to the fundraiser, and the fundraiser cannot use Cleveland Clinic's 501(c)(3) status to apply for funding. However, if a business makes a donation to the event and would like the tax-exempt number for tax purposes or to verify the tax status of Cleveland Clinic, we'll provide the information to the business upon request.

Can someone from the foundation or hospital help me plan our event?

- › Because of the large number of events and limited number of staff, our team isn't able to plan your event. However, we're happy to provide guidance and best practices to get you started, and we'll answer questions throughout your planning process.

What can I give people who made donations for tax purposes?

- › Individuals who make a donation through Cleveland Clinic's online personal fundraising pages will receive an automatically generated receipt. Offline gifts, such as checks, should be mailed to Cleveland Clinic at The Cleveland Clinic Foundation, Attn: Kids Give Back, 3050 Science Park Dr./AC322, Beachwood, OH 44122 for proper processing, and a receipt will then be mailed to the donor.
- › When submitting offline gifts to Cleveland Clinic, please use the Community Fundraising Donation Submission Form located in the Download Center to ensure proper processing.

Can you guarantee the attendance of physicians or staff at our event?

- › Due to the large number of requests, we cannot guarantee that a Cleveland Clinic Children's staff person (including medical staff) will be able to attend or participate. Please request staff representation when submitting your application.

Who can I call if I have questions?

- › Contact the Community Fundraising team at getinvolved@ccf.org at or 216.448.0513.
