

Use this tool prior to each shift to quickly and easily screen yourself for COVID-19 symptoms before you arrive to work at a Cleveland Clinic facility. COVID Pass can be saved to the home screen on your smartphone or tablet for fast access.

Complete Screening Before Each Shift

1. Visit this website: <https://ewebapps.ccf.org/covidpass>.
2. Log in with your Active Directory (network) username and password.
(These are the same credentials you use to log in to Outlook).
3. Answer the screening questions within.

Home Index CC

COVID Pass

Please complete this survey before beginning any shift.
This survey will tell you whether you are eligible to work or not. It is not meant to provide clinical advice.

Hello David

*Not David? Login to WorkDay and verify your data.

Schedule Start Time (Shift Workers Only)

Are You Experiencing Any of the Following Symptoms?

- Fever greater than 100.4F / 38C
- Severe cough that started or has gotten worse in the last 48 hours
- Shortness of breath that started in the last 48 hours
- Muscle aches that started or has gotten worse in the last 48 hours
- In the last 48 hours have you felt significantly more tired than usual

Screening Results

Once you have submitted your answers, you will be notified whether or not you are cleared for work. If you are not cleared, please follow your standard procedures for calling off.

Please also call the COVID-19 Caregiver Hotline to determine next steps:

- **COVID-19 Hotline for Ohio Caregivers:** 216.445.8246
- **COVID-19 Hotline for Florida Caregivers:** 800.546.4149

Covid Pass

COVID Pass

Thank you for completing your Covid Pass.

✓

You are cleared for work today, August 14.
Remember to complete this before the start of your next shift.

Thank you for completing your Covid Pass.

X

Because you indicate that you are exhibiting COVID-19 symptoms, you are not cleared for work today, August 14. Do not go to work, and please follow your standard procedures for calling off.

COVID Pass Caregiver Self-Screening Tool

Add COVID Pass to Your Home Screen

iOS Devices (Apple iPhones and iPads)

1. Visit the COVID Pass website:
<https://ewebapps.ccf.org/covidpass>.
2. Click on the icon on the box with the up arrow at the bottom of the screen.
3. Scroll to the left and tap **Add to Home Screen**.
4. Tap **Add** in the top right. COVID Pass will now be accessible as a tile on your screen.

Android / Google Devices

1. Visit the COVID Pass website:
<https://ewebapps.ccf.org/covidpass>.
2. Open Chrome's Settings menu by tapping the **three vertical dots** found in the top-right corner.
3. Select the **Add To Home Screen** option.
4. Tap the **Add** button to place the new icon on your Android device's Home Screen wherever space is available. COVID Pass will now be accessible as a tile on your screen.
