

## 2020 Nursing Institute Cereal Drive

Donate the week of May 18 - June 5.

Once again, the Zielony Nursing Institute is partnering with hospitals across the country to feed hungry children throughout the summer.

Cleveland Clinic caregivers from all areas have helped to make this a great success in the past – get your department involved in 2020! **Donations must be made by June 5.** We appreciate your support.

To make an ONLINE DONATION,
