# How to place your N95 into a bag for reuse

## DOFFING

1. **Remove gown and gloves.**
2. **Remove face shield.**
3. **Perform hand hygiene.**
4. **Don clean gloves.**
5. **Doff N95 mask — remove by straps only.**
6. **Loop strap of N95 mask onto handle of storage bag labeled with your name.**
7. **Doff gloves.**
8. **Perform hand hygiene.**

### HOW TO HANDLE THE MASK AFTER DOFFING

Hold mask by strap.

Open bag and place the mask into the bag while holding straps.

### HOW TO LOOP STRAP OF N95 MASK

Place one strap over the handle of the bag.

Place the other strap over the other handle of the bag.
