How to Properly Wear Eye Protection

Goggles:

When putting your goggles on
- Clean your hands
- Make sure your goggles completely cover your eyes
- The earpieces should rest securely on top of your ears

**Correct**   **On Top of Your Head**   **Too Far Up on Your Face**

Face Shield:

When putting your face shield on
- Clean your hands
- Make sure the shield covers your face
- The headband and earpieces should rest securely on top of your ears

Correct   **On Top of Your Head**   **Too Far Up on Your Face**
