## Additional COVID-19 screening questions capture patients tested outside of the system

Last updated: April 7, 8:00am

For the most up-to-date information, reference the [COVID-19 intranet site](#).

In an effort to better identify potentially infected patients, as of March 30, additional COVID-19 and travel screening questions have been added to all clinical and clerical workflows that currently document Epic Travel Screening.

Be sure to click the link to open the questions. **It is essential that every caregiver documenting a Travel Screening completes these additional questions.** This will ensure we capture patients tested for COVID-19 outside of Cleveland Clinic, allowing clinicians to care for them appropriately while protecting our caregivers and other patients.

**Travel Screening**

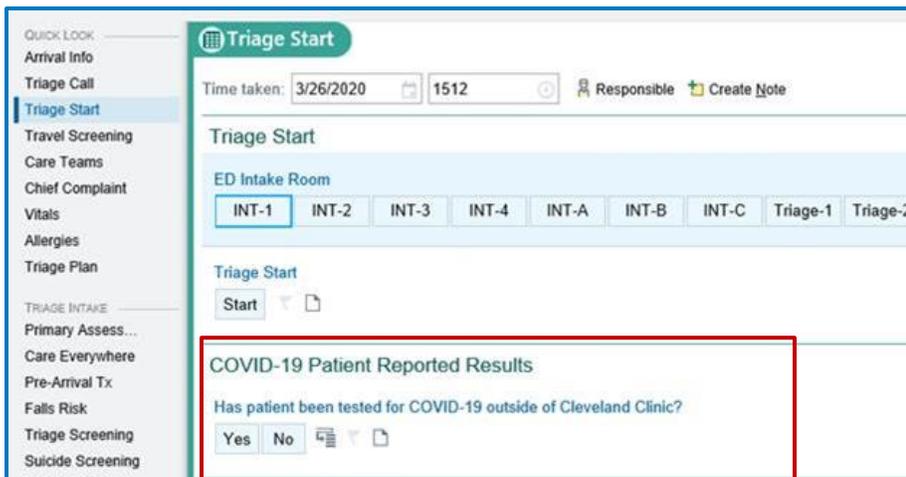

Question	Response
Do you have any of the following symptoms?	None of these
In the last month, have you been in contact with someone who was confirmed or suspected to have Coronavirus / COVID-19?	No / Unsure
Have you traveled internationally in the last month?	No

**Travel History** Travel since 02/26/20  
No documented travel since 02/26/20

**Additional Travel Screening/COVID-19 Questions**  
[Click to document additional travel screening/COVID-19 questions](#)

**Report of Additional Travel Screening/COVID-19 Questions from encounters over the past 14 days**  
No data recorded

In the ED, these questions are included in Triage.

Has patient been tested for COVID-19 outside of Cleveland Clinic?

Yes No

The first question asks, “Has the patient been tested for COVID-19 outside of Cleveland Clinic?” If the answer is Yes, additional questions will cascade in:

At Cleveland Clinic Florida, the “Has patient traveled recently to New York, New Jersey, or Connecticut?” question has also been added.

Documentation of a positive COVID-19 result will trigger the BPA alert to fire. The alert will also display in Florida if the patient has traveled from NY, NJ, or CT within the last 15 days.

## Questions?

If you have questions or need assistance, please contact the [physician specialist / COA](#) for your area or contact the Help Desk for your location:

- Akron General: call 330.344.6604 or contact [Aq-helpdesk@ccf.org](mailto:Aq-helpdesk@ccf.org)
- Akron PPG: call 4EPIC (4-3742)
- Florida: call 5-5555, option 1
- Main Campus and all other regions: call 216.444.HELP
