***Swim Clinics:** Swim clinics will be conducted by our Masters Swim Coach and held on various dates throughout the year. Clinics will be offered for advanced youth and adult swimmers and will focus on a variety of strokes, starts, turns, etc. The main agenda for each clinic will be announced ahead of time, and updates will be posted on the bulletin board in the pool area. All participants must pre-register. Please call the Aquatics office if you would like to be put on our interest list. Leave your name, phone number, and email so we can send an announcement!

Parent and Child Aquatics: Typically for children 6 months-4 years. Parent must accompany child in the water. General water safety tips for parents and water adjustment for children. Group A is 6 months-36 months and Group B is 36 months- and up.

Preschool: For children who are ready to be without parents. General Youth Level 1 and Youth Level 2 skills are presented, with individual abilities considered. Call for more information.

Youth Level 1: Water Adjustment for children 6 years and up (without parents). Enter and exit in shallow end, move comfortably through water, submerge face (3 seconds), and float with support on front and back.

Youth Level 2: Independent float on front and back, open eyes under water and retrieve objects, rhythmic breathing or bobbing 10 times, kick on front and back, roll from back to front/front to back, front and back crawls arm action, combined stroke front and back. 6 years and up

Youth Level 3: The objective is continued improvement on the front crawl and elementary backstroke and to learn the butterfly kick, scissor kick, & breaststroke kick. Rotary breathing and survival floats are also included in this level. 6 years and up

Youth Level 4: The objective is for students to improve the front crawl and to learn the back crawl, breaststroke, sidestroke, and butterfly. 6 years and up

Youth Level 5: The objective is to continually build upon the front and back crawl for better endurance and stroke mechanics, as well as improvement on the elementary backstroke, butterfly and breaststroke. Sidestroke and swimming turns and introduced in this level. 6 years and up

Youth Level 6: The objective is to refine the strokes so participants can swim them with ease, efficiency, power and smoothness over greater distances. 6 years and up

SEALS: For youth 6 years old & up (and have graduated from Youth Level 4) who are interested in developing their competitive swimming skills. Swimmers will learn drills to improve technique, increase speed and endurance. Emphasis will be placed on stroke refinement, starts, turns, warm-up, supplemental exercises, and FUN! (A minimum of Youth Level 4 is required for all participants).
