

Volume 13 Issue 1

Jan | Feb | Mar 2019

Gain help in executing your Advanced Directives

Start off the New Year by not procrastinating

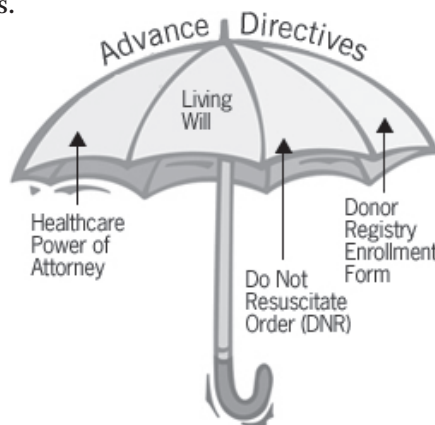

Advance directives are documents that state your choices for health care, or name someone to make those choices, if you become unable to make decisions. Through advance directives, such as living wills and durable powers of attorney for health care, you can make legally valid decisions about your future medical treatment.

Beginning in February, our patients will have an opportunity to have assistance with completing and executing their Advance Directives. Our Social Work staff will offer education and notarization of the forms. This one hour session will be held once a month – 3rd Wednesday from 10-11am in our 1st Floor Conference room. Forms and a notary will be provided at no charge. If you wish to execute these documents at this program, please note that photo identification is required for notarization. Pre-registration is recommended but not necessary.

Our Social Work staff is also available to assist you with these documents individually if you are unavailable during this program's specific times.

Benefits of Art Therapy

Discover the healing power of art by participating in our cancer center's Art Therapy Sessions. We welcome patients who are being treated, families, and caregivers who work at the cancer center to express themselves through art. Research has shown that people with cancer who engage in creative arts therapy experience less depression and anxiety than those who don't.

You don't have to be an artist, or even like art to benefit. The only requirement is an open mind and the ability to utilize your hands. Please consider joining us for an upcoming Art Therapy Experience.

We have two sessions each Month

First Tuesday of the Month 10am – noon
Third Friday of the Month 2-4 pm

Cleveland Clinic Cancer Center – Fairview
18200 Lorain Road

Moll Pavilion 1st floor conference room

Art Therapy Sessions for 2019 include:

January 18	Snow Globes
February 5 & 15	Winter Bird House Decoration
March 5 & 15	Journal Making
