

2020 YEAR-END | NEVADA FACTS+FIGURES

MISSION: Caring for life, researching for health and educating those who serve.

CARING FOR LIFE

OUTPATIENT SATISFACTION: CGCAHPS SCORES

In 2020, the Lou Ruvo Center for Brain Health scored among **the top 10% nationwide in these key metrics:**

NO-COST SUPPORT SERVICES FOR OUR COMMUNITY

60,000 visits to our no-cost caregiver education, therapeutic and support services since 2009.

In 2020, we delivered:

- > **3,200 visits to group education programs**
- > **4,700 one-on-one support visits spanning case management and community resource introductions**
- > **1,530 support group visits**
- > **3,100 encounters with music therapy**

RESEARCHING

CLINICAL TRIALS AND RESEARCH

Since 2009, we have conducted more than **100 trials** in Alzheimer's and other dementias; Parkinson's, Huntington's and other movement disorders; multiple sclerosis and normal cognition. Additionally, we offer investigator-led studies, including a longitudinal study of repeated head impacts in **800 active and retired professional athletes.**

EDUCATING

MEDICAL & PRE-PROFESSIONAL EDUCATION

From 2010 – 2020, the Lou Ruvo Center for Brain Health Education Program

- > Hosted **15 live continuing medical education conferences** for more than 2,800 physicians and providers, with an additional 6,250 online views
- > Delivered **77,000 hours of education** (K-12 students through medical residents)
- > Expanded graduate medical education (GME), training **3 full-time Cleveland Clinic fellows** and hosting **37 students and trainees in 2020**

CLEVELAND CLINIC NEVADA

CLEVELAND CLINIC LOU RUVO CENTER FOR BRAIN HEALTH

Cleveland Clinic Lou Ruvo Center for Brain Health, which opened in 2009, provides expert diagnosis and treatment for individuals and families living with Alzheimer's disease, Lewy body, frontotemporal and other dementias; Parkinson's and Huntington's disease, multiple system atrophy and other movement disorders; and multiple sclerosis. With locations in Cleveland, Ohio; Weston, Florida and headquarters in Las Vegas, Nevada, the center offers a continuum of care with no-cost opportunities for the community to participate in education and research, including disease prevention studies and clinical trials of promising new medications. An integrated entity, Keep Memory Alive, raises funds exclusively in support of the Nevada location.

IMAGING SERVICES

With a 3-Tesla MRI and a state-of-the-art PET/CT scanner, Cleveland Clinic Nevada's imaging services are second to none. We image nearly the entire body, and **results are usually available within 24 hours**. Our imaging is backed by the full resources of Cleveland Clinic's Imaging Institute, which is staffed by board-certified, academically trained subspecialty radiologists who quickly return exam results to the ordering physician.

AWARDS & RECOGNITION

Cleveland Clinic Lou Ruvo Center for Brain Health has:

- > Been named Nevada's first and only **exploratory Alzheimer's Disease Research Center** by the NIH
- > Been named a **Research Center of Excellence** by the **Lewy Body Dementia Association**
- > Been the only program in southern Nevada to receive the **Partners in Care** designation from the **National Multiple Sclerosis Society**
- > Been named one of the first five **CurePSP Centers of Care** in the United States
- > Been named one of the Cleveland Clinic locations of the **Parkinson's Foundation Center of Excellence**
- > Continued to operate the only **Huntington's Disease Comprehensive Clinic** in Nevada
- > And, as part of Cleveland Clinic, been named the No. 9 neurology program in the country for 2020-21 in **U.S. News and World Report's** annual rankings
