

Step 5: Tuition, Drop Course & Refunds:

If a student engages in academic misconduct or plagiarism and s/he is expelled from the program, the full tuition (and nonrefundable registration fee) will not be refunded.

1. Tuition (and Non-Refundable Registration Fee):

Fees (effective 1/1/2018): Tuition fees are listed below minus the required \$200 nonrefundable registration fee. Textbooks are NOT included in tuition fees. Clinical fees, if any, for precepting, travel, lodging, or meals are NOT included in tuition fees.

- \$3,150 – One course/scope election (wounds, ostomy, or continence) & concepts course
- \$4,725 – Two course/scope election (combination of wounds, ostomy or continence) & concepts
- \$6,300 – Three course/scope election (includes wounds, ostomy, or continence) & concepts
- \$1,575 – One additional course (applies to previously elected single and dual scope tracks)

Tuition Payment Deadline: Tuition payment in full must be received before the class' posted registration close date as indicated on the school's annual class schedule. This date generally is three weeks before the first day of class.

Failure to Receive Tuition, in full, by the Posted Deadline Date: If full tuition is not received by the registration close date, then the student's enrollment will be transferred to the next class session (i.e., cohort), if a seat is available.

Online Didactics: Tuition varies depending upon the course(s) selected plus a \$200 nonrefundable registration fee. (NOTE: Concepts course is a prerequisite to all course specialty scopes. This prerequisite course need only be taken once.)

Practicums: Practicums may be arranged by the student in his/her own geographical area. Any associated preceptor fees are at the student's own expense and not included in tuition. Or, if a preceptor is not available in the student's geographical area, the practicum may be completed onsite at Cleveland Clinic. No clinical precepting fee is charged for using a Cleveland Clinic preceptor in Cleveland, OH, main campus. However, travel, lodging, and meal expenditures are at the student's own expense.

Practicum Extension Fee: Clinical hours, practicum assignments, and all final exams must all be completed within 90 days following successful completion of the last didactic course date. Students, who are unable to complete all course requirements, in the allotted time, should immediately contact his/her instructor. Two 30 day extensions, at a cost of \$300 each, may be granted at the instructor's discretion to allow for practicum course completion. Non-communication can result in a clinical failure.

2. How to Drop a Course (or from the program):

To drop a course (or from the program), the student must submit a written request to WOCschool@ccf.org. Upon receipt of the student's written withdrawal request, s/he will receive an official Withdrawal Request Form via email. This form must be complete and emailed back to the school (within 48 hours) in order to approve the withdrawal and to process any refund, if granted, to the student.

3. Refund:

Dropping from a course (or program) must be received, in writing and sent to WOCschool@ccf.org, at least 30 days prior to the first day of class.

Withdrawing Registration from the Entire Program Prior to Concepts Course:
