   **Tuition Payment Deadline:** Tuition payment in full must be received before the class’ posted Final Date to Complete ALL Enrollment Requirements as indicated on the school’s annual class schedule.

   **Failure to Receive Tuition, in full, by the Posted Final Date to Complete ALL Enrollment Requirements:** If full tuition is not received by the Final Date to Complete ALL Enrollment Requirements, then the student’s enrollment will be automatically withdrawn and the student will need to re-apply when registration opens for the next cohort or any subsequent cohort.

   **Online Didactics:** Tuition varies depending upon the course(s) selected plus a $200 nonrefundable registration fee. (NOTE: Professional practice concepts course is a prerequisite to all course specialty scopes. This prerequisite course need only be taken once.)

   **Practicums:** Offsite practicums may be completed by the student in his/her own geographical area by using a preceptor and clinical site from Cleveland Clinic’s WOC clinical database. Any associated preceptor fees are at the student’s own expense and not included in tuition. Or, if a preceptor is not available in the student’s geographical area, the practicum may be completed onsite at Cleveland Clinic (Northeast, Ohio). Practicum fees are incurred, and any travel, lodging, parking, transportation fees, and meal expenditures are at the student’s own expense. **Travel and housing arrangements should not be made until after clinical details are provided to students. Offsite practicums course requirements are required to be fully completed within 90 days from the last didactic class date. Onsite practicum course requirements are required to be fully completed within 6 weeks from the last scheduled onsite clinical date.**
Practicum Extension Fee: Clinical hours, practicum assignments, and all final exams (scheduled/taken/remediated/passed) must all be completed by the practicum course closure date assigned to each student by his/her practicum course instructor. Students, who are unable to complete all course requirements, in the allotted time, should immediately contact his/her instructor to discuss their situation. As non-communication with your instructor regarding the need for a practicum extension may result in a clinical failure. Your instructor will notify the school’s business office to discuss and review your situation. Up to two 30-day extensions, at a cost of $350 each, may be granted to allow for practicum course completion. Students, who request an extension must contact the school’s business office at WOCschool@ccf.org three to five business days prior to the scheduled practicum course closure date to acquire payment instructions. Payments received after the final date of the practicum course closure will not be accepted; no exceptions, no extension will be granted, and it will be considered a course failure. Thereby, prohibiting program graduation and issuance of a graduation certificate.
