

# Nurse Associate Perioperative Externship

Because teamwork and learning go **hand-in-hand**

## Your experience as a Nurse Associate Extern

Our three Cleveland Clinic Martin Health Hospitals are committed to shaping the future of healthcare by providing nurses with the resources they need to learn, grow, and reach their potential. Your 10-week externship will include working one-on-one with a nurse mentor, as well as time with fellow externs in a classroom setting.

Ideal candidates will be purpose-driven individuals who thrive on hard work and are committed to giving their best to make a meaningful difference in the lives of others. Student applicants must be currently enrolled in an accredited nursing school (BSN or BSN/MN program) and entering their last year or semester, or accredited ADN program entering their last semester upon completion of their externship. Candidates must hold Basic Life Support certification through the American Heart Association for the duration of the program.

**June 5-August 12, 2023**

Applications are now being accepted.
