

2023 FACTS+FIGURES

THE STANLEY SHALOM ZIELONY INSTITUTE FOR NURSING EXCELLENCE

Cleveland Clinic is consistently ranked as one of the top hospitals in the world in the *Newsweek* 2023 “World’s Best Hospitals” survey. The Stanley Shalom Zielony Institute for Nursing Excellence oversees the practice and professional development of nearly 35,000 nursing caregivers throughout Cleveland Clinic. 11 Cleveland Clinic hospitals have Magnet® designation from the American Nurses Credentialing Center.

The Zielony Institute is dedicated to these ideals:

MISSION To be the global leader in the professional practice of nursing through education, research, innovation, collaboration and quality care, where compassionate caregivers excel and patients are first.

VISION Cleveland Clinic nurses: delivering on the promise of world-class care.

CLEVELAND CLINIC VALUES Quality and safety, empathy, teamwork, integrity, inclusion and innovation.

The Zielony Institute’s **shared governance** structure is supported by Cleveland Clinic’s Professional Practice Model.

Education

7,139 student rotations

791 APRN students

123,138 hours completed

Cleveland Clinic is jointly accredited to provide interdisciplinary education, including more than 600 in-person and 250 online courses.

Generous tuition assistance is available for caregivers.

The world's first **Wound, Ostomy, and Contenance Nursing Education Program** is now in its 63rd year of operation at Cleveland Clinic. One of eight programs in the United States to be accredited by the Wound, Ostomy, and Contenance Nurses Society, the school enrolls approximately 100 students each year.

Cleveland Clinic School of Nurse Anesthesia is a doctoral program affiliated with the Frances Payne Bolton School of Nursing at Case Western Reserve University. The program admits 20 RNs annually and has graduated more than 500 CRNAs since 1969 (affiliation began in 1989).

Howley ASPIRE Nurse Scholars is an enrichment program sponsored by Cleveland Clinic and the Howley Foundation in collaboration with the Ursuline College Breen School of Nursing. It is designed for underrepresented and financially disadvantaged high school students who are interested in pursuing a career in nursing. Designed to diversify our nursing workforce, the program has helped educate approximately 50 high school juniors each year since 2017. ASPIRE focuses on providing career information and critical skills to support participants' matriculation through higher education, nursing school and beyond.

Cleveland Clinic's Nurse Associate Externship Program is a 10-week summer program offered to internal caregivers and external nursing students (BSN/ADN students entering their senior year). The externship includes the opportunity to work one-on-one with a nurse mentor, as well as time with fellow externs in an interactive setting.
