

2024 FACTS+FIGURES

THE STANLEY SHALOM ZIELONY INSTITUTE FOR NURSING EXCELLENCE

The Stanley Shalom Zielony Institute for Nursing Excellence oversees the practice and professional development of nearly 30,000 nursing caregivers throughout Cleveland Clinic. Twelve Cleveland Clinic hospitals have the Magnet® Recognition Program designation from the American Nurses Credentialing Center.

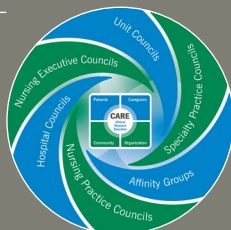

The Zielony Institute is dedicated to these ideals:

MISSION Caring for life, researching for health, educating those who serve

VISION To be the global leader in nursing excellence today and tomorrow

CLEVELAND CLINIC VALUES Quality and safety, empathy, teamwork, integrity, inclusion and innovation

The Zielony Institute's **shared governance** structure is supported by Cleveland Clinic's Professional Practice Model.

Our staff of **29,362** nursing caregivers includes:

2,797 advanced practice registered nurses

548 nurse leaders

16,798 registered nurses

11,356 nursing support staff

In 2024, our nurses:

helped manage **6,728** beds systemwide

cared for **3.5M** unique patients worldwide

served in **270** operating rooms

helped manage **320K** surgical cases

Education

8,607 student rotations across all Cleveland Clinic locations, including Ohio, Florida, Abu Dhabi and London.

Generous tuition assistance is available for caregivers.

Cleveland Clinic's **Center for Nursing Career Exploration** provides opportunities for school-aged students and adult learners who are interested in the nursing profession. Our immersive, real-world experiences are also designed to foster the professional growth and academic advancement of current nurse caregivers. Learn more about our educational opportunities by visiting clevelandclinic.org/CNCE.

The world's first **Wound, Ostomy, and Continence Nursing Education Program** is now in its 64th year of operation at Cleveland Clinic. One of eight programs in the United States to be accredited by the Wound, Ostomy, and Continence Nurses Society, the program enrolls approximately 75 students each year.

Cleveland Clinic School of Nurse Anesthesia is a doctoral program affiliated with the Frances Payne Bolton School of Nursing at Case Western Reserve University. The program admits 25 RNs annually and has graduated more than 500 CRNAs since 1969 (affiliation began in 1989).

The **Howley ASPIRE Nurse Scholars Program** is an enrichment program sponsored by Cleveland Clinic and the Howley Foundation in collaboration with the Ursuline College Breen School of Nursing and Health Professions. It is designed for high school students with demonstrated financial need who are interested in pursuing a career in nursing. Designed to expand our nursing workforce, the program has helped educate more than 300 high school students since 2017. The program focuses on providing career information and critical skills to support participants' matriculation through higher education, nursing school and beyond.

Cleveland Clinic's Nurse Associate Externship Program is a 10-week summer program offered to internal caregivers and external nursing students (BSN/ADN students entering their senior year). The externship provides the opportunity

to work one-on-one with a nurse mentor, as well as time with fellow externs in an interactive setting.
