

Total Joint Replacement Class

Are you considering or have you scheduled a total joint replacement? We encourage you to attend our Total Joint Replacement Class. During this informative class you will learn what to expect following surgery and your recovery process.

Our goal is for each patient to achieve the very best outcome possible. Every patient receives personalized attention from our staff of specially trained nurses and therapists. Family members are welcome!

What can I expect?

- Your instructor will discuss presurgery preparation, the hospital stay and postoperative rehabilitation needs.
- Cleveland Clinic experts will be available to answer questions. Experts may include any of the following team members: orthopaedic patient navigator, physical therapist, occupational therapist, care manager and surgeon.

How do I sign up?

This is a FREE program. We recommend attending the class at the hospital where your surgery is scheduled. Locations include:
