Please note, to protect our patients and prevent the spread of infections, these are our current guidelines surrounding donations:

1. All donations must be brand new, odor-free, in original packaging and purchased within the last 3-6 months.
2. All books and stuffed animal donations must be new and unused.
3. Due to acute illness of our patients, we are unable to allow donors to personally distribute gifts to the children.
4. Donations must be scheduled in advance. Contact information for Main Campus, Fairview, and Hillcrest hospitals is listed online.
5. To be inclusive of all patients at Cleveland Clinic Children's, we are unable to accept donations for specific diagnoses. Donations received will be distributed to pediatric patients from all departments.
6. To spread cheer to families of all backgrounds and belief systems, please refrain from donating religious material.
7. All items must come from smoke-free, dust-free, and pet-free environments.
8. Please keep all gifts unwrapped.
9. Please buy specific name brands whenever possible.
10. Please avoid toys with detachable parts that could be removed and swallowed. Avoid toys which can break and leave sharp edges.
11. Art & craft materials must have the non-toxic seal (AP, CP, Health Label Non-Toxic)
12. We **cannot** accept:
 - a. Violent themed items (i.e. items containing guns, swords, blood, violence, etc.)
 - b. Handwritten or homemade cards or letters (it means more to our patients and families to receive blank cards so they can make their own).
 - c. Items with cloth are not permitted. Toys must be plastic or have a washable surface.
 - d. Items known to contain rubber latex, including, but not limited to; rubber balls, rubber stamps, rubber balloons, rubber erasers, etc.
 - e. Popular collector items that have been gathered and stored.
 - f. Candy, food, or religious material

This list is subject to change as new infection prevention guidelines are released regarding the safety of our smallest patients. Please contact childrensfundraising@ccf.org with any questions. We truly appreciate your patience and support.
