

Cleveland Clinic Children's Holiday Donations to Child Life

Things may look different this year, but now more than ever, our patients and caregivers are grateful for your support of Cleveland Clinic Children's.

Please note that to protect our patients and prevent the spread of COVID-19 and influenza, there are new guidelines this year surrounding donations and visitors:

- Cleveland Clinic is not permitting anyone to enter Cleveland Clinic facilities to drop off or distribute donations. Current visitation guidelines may be found [here](#).
- This year, the only handmade items we will be accepting are **tie blankets and pillow cases**. Please send these items in plastic bags with either a twist tie or goose neck-tied top. Important: tie blankets and pillow cases must be received **on or before Monday, November 30th** in order to quarantine for one week prior to distribution.
- No other handmade items will be accepted (i.e. cards, crafts, pictures, etc.).
