

AVON COMMUNITY PHARMACY INTERNSHIP

Avon, OH | Outpatient/Community

ABOUT OUR SITE *

Community pharmacy inside a busy family health center building serving Avon and surrounding West side communities. Immunizations, discharge medication delivery to hospital patients on campus.

INTERNSHIP AT A GLANCE *

Program structure: summer-focused program

Typical student level(s): P1-P2

Core experience: outpatient workflow

TIME COMMITMENT & STAFFING *

- School-year expectations: weekends or breaks, at least one shift/quarter
- Summer expectations: part-time 2-3 days/week

WHAT INTERNS DO

- Assist with tasks in daily workflow, call for prescription transfers, simple compounds, vaccinations, patient counseling

WHAT MAKES OUR PROGRAM UNIQUE

Community pharmacy setting with direct access to patient EMR. Allows for expedited clinical decision-making and collaboration with other health care providers. Only Cleveland Clinic site with a hospital and family health center on same campus.

HOW TO APPLY *

We will include a generic link to Workday since not all postings are up on the site at the same time. You may include timeframe if this is consistent from year to year.
