

# Cleveland Clinic

## Inpatient Pharmacy Internship Program

### Our Purpose

The Cleveland Clinic Department of Pharmacy aspires to be the world leader in pharmacy practice. To do so, we believe in providing **world-class experiences** that will prepare student pharmacists for their post-graduation goals.

The Main Campus inpatient program will prepare interns to become pharmacy practitioners that embody **excellence in education, clinical care, and personal integrity**. This program challenges student pharmacists to think creatively and critically while emphasizing **diversity, innovation, and the commitment to putting patients first**.

### Program Details

**When:** This longitudinal program is a **year-round paid internship** consisting of 12-weeks of summer components from May-August and an average of one out of every four weekends throughout the academic year. Internship **start and end dates are customizable** based on final exam schedules and departmental needs.

**What:** The internship will cultivate a **highly translatable skill set** through clinical and operational experiences. All interns will start rotations in pharmacy operations and progress to clinical experiences. Clinical rotations available include internal medicine, cardiology, emergency medicine, and critical care with electives in other clinical areas based on preceptor availability.

Every intern has the opportunity to participate in **research, projects, and presentations**.

**Why:** Our internship program provides **tangible, real-world experience** at one of the most highly renowned hospitals in the world. As a Caregiver within our expansive, evolving department of pharmacy, you will not only gather the skills critical to a student pharmacist, but you will find **friendships, mentorship, and unprecedented professional growth**.

### Webinar

**March 24th, 2025**

2:00 – 3:00 PM  
(EST)

### Teams Meeting

[Join the meeting now](#)

If you are unable to make the webinar date and would like to learn more about the program, please reach out to the HSPAL Residents below:

## To Apply

### Applications Accepted

March 10th 2025 through April 7th 2025

*Reviewed on a rolling basis*

### Required Components

#### 1) Complete application through Workday.

The following components should be submitted in the Workday application, combined as a single PDF document:

- Letter of intent
- Curriculum vitae (CV)

#### 2) Letter of recommendation: e-mailed separately

Instruct letter writer to e-mail letter directly to

ricet15@ccf.org AND carlonm@ccf.org

with the subject: LAST NAME, FIRST NAME Intern LOR

Please note: this application is for the pharmacy internship at **Cleveland Clinic Main Campus only.**

Other Cleveland Clinic Internships must be applied to separately.

Cleveland Clinic is pleased to be an equal opportunity employer. All applicants will be considered regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status. Cleveland Clinic is a smoke-free/drug-free environment.

## Eligibility

To be eligible for selection, students must be enrolled in an ACPE-accredited doctor of pharmacy program **(either 1st/2nd year student in a 4-year program or 3rd/4th year student in a 6-year program).**

Students must be eligible for an intern license in the state of Ohio. If selected, the student will be required to obtain their license by April 1, 2025 and maintain for the duration of their employment.

Applicants will be evaluated on various parameters including career goals, prior experience, communication skills, and the ability to work in a dynamic team atmosphere. **Candidates should be available for a 30-minute Microsoft Teams interview in April.**
