

Facility:	Program:	RPD:	Resident(s):	Title:
Main Campus	PGY1 Community	Amy Gustafson	1. Cory Lankford	Impact of clinical pharmacist interventions on cost avoidance in an integrated health system specialty pharmacy
	PGY1 Pharmacy	Jennifer Sekeres	1. Ariel Hecke	Evaluation of Effectiveness and Safety of Acetylcysteine for NAI-ALF and AAH in Obese vs. Non-Obese Patients
		Heather Torbic (Advisor)	2. Colleen Hutchinson	Evaluation of pain management among patients undergoing cardiothoracic surgery who were prescribed pre-operative buprenorphine
			3. Bethany Lane	Infliximab use for ulcerative colitis (UC)/Chron's in the inpatient setting
			4. Richa Shah	Impact of a Health-System Treatment Algorithm on Initiation of Rabies Post-Exposure Prophylaxis in Emergency Department Patients
			5. Alexandria Taylor	Evaluation of a MICU Delirium Order Set Pilot
			6. Jessica Ward	Impact of Endocrine-Transplant Collaboration on Post-Kidney Transplant Outcomes
	PGY1 Pharmacy (Pediatric)	Kay Kyllonen	1. Samantha Minnick	Evaluation of pediatric risk factors for 30 day readmission
	PGY1/2 HSPA	Scott Knoer	1. Kristian Pretashi	Development of Core Staffing Requirements for The Cleveland Clinic Enterprise
		Dan Lewis (Coordinator)	1. Andrew Vandermause	Impact of Pharmacist Medication Reconciliation Services on Inpatient Neurology Outcomes
			2. Derek Montgomery	TBD - EPIC Advanced Preparation Expansion
			2. Leti Vargas	TBD - Development and Implementation of a Real Time Operational Dashboard
	PGY1/2 Pharmacotherapy	Anthony Zembillas	1. Molly Wheeler	Use Patterns of the Aspirin Clopidogrel Resistance Aggregation Assay within the Cerebrovascular Center at an Academic Medical Facility
			2. Mary Grace Fitzmaurice	1. High dose ganciclovir for high-grade CMV viremia in solid organ transplant recipients
				2. Implementation of routine primary Clostridium difficile prophylaxis after lung transplantation at an academic medical center
	PGY2 Ambulatory Care	Gia Russo-Alvarez	1. Glecille Salonga	1. Characterization of Antidiabetic Treatment Patterns Among Patients with Type 2 Diabetes and Heart Failure
				2. Safety of Rivaroxaban in Older Adults for Treating Nonvalvular Atrial Fibrillation
			2. Erin Harpster	1. Pharmacist Guided Hypertension Management through Nurse Blood Pressure Visits
				2. Safety of Rivaroxaban in Older Adults for Treating Nonvalvular Atrial Fibrillation
	PGY2 Cardiology	Katie Greenlee	1. Kaitlin Siela	1. Opioid-sparing use of gabapentin post-VAD implantation

				2. Utility of Arachidonic Acid Aggregation Testing in Patients with Left-Ventricular Assist Devices
	PGY2 Critical Care	Matt Wanek	1. Sean Mertz	1. Amiodarone for post-operative atrial fibrillation prophylaxis in cardiac surgery
				2. Albumin use in hepatorenal syndrome
			2. Stephanie Lombardi	1. Evaluation of direct oral anticoagulant use after cardiothoracic surgery
				2. Risk Factors for Propofol-Induced Hypotension in Critically Ill Adult Patients in the Medical ICU
	PGY2 Infectious Diseases	Elizabeth Neuner	1. Josh Eudy	1. National Outpatient Antibiotic Stewardship Research Project
				2. Drug Use Evaluation: Eravacycline and Tigecycline
	PGY2 Informatics	Marc Willner	1. Kara Sosinski	1. Pharmacist Clinical Navigators
				2. Evaluation of weight-based contexts in medication records
	PGY2 Oncology	Caitlin Siebenaller	1. Caitlin Crawford	1. Long-term outcomes of AL amyloidosis patients treated with daratumumab-based therapy
				2. Hepatitis B Monitoring in Patients with Malignancies Receiving Anti-CD20 Monoclonal Antibodies
			2. Catherine Gawronski	1. Choice of anthracycline in induction chemotherapy for AML in young patients
				2. Febrile neutropenia antimicrobial de-escalation in adult hematopoietic stem cell transplant (HSCT) patients
			3. Sowmya Takkellapati	1. Review of CAR-T Cell Therapy Management
				2. Use of Bone Modifying Agents in Cancer Patients
	PGY2 Solid Organ Transplant	Jessica Bollinger	1. Kristen Neuhaus	1. Evaluation of Antibody Mediated Rejection Management Post-Lung Transplant
				2. Pre-transplant vaccination compliance in heart and lung transplant
