About us:
Cleveland Clinic is comprised of a 1,600-bed academic medical center, 15 Ohio regional hospitals, 5 Florida hospitals, and two international hospitals located in London and Abu Dhabi. In total, there are over 7,300 inpatient beds, 300 outpatient locations, and 32 ambulatory pharmacies that collectively serve over 3.5 million patients per year. Within the pharmacy departments there are over 2,000 caregivers that operate significant inpatient and outpatient clinical services utilizing a pharmacy budget that exceeds $2.5 billion annually.

Pharmacy Vision Statement:
To be the best place to receive and provide pharmacy care

Pharmacy Mission Statement:
One Pharmacy Community: Serving Patients, Advancing Practice, Investing in Caregivers

The following programs are offering one-on-one pre-application meetings with program RPDs in December.

Please use the program-specific Booking links below to sign up. Once you select an interview slot, a Microsoft Teams link will automatically be generated and an invite added to your calendar. You can also see more information about the programs by clicking on the hospital names.
