Venue	Presentation	Date																							
Resident conference	Large Project Defense																								
Resident conference	Seminar																								
Resident conference	Large Project Results																								
ID monthly 1	TBD																								
ID monthly 2	TBD																								
ID monthly 3	TBD																								
APPE Student presentation 1	Bugs and Drugs																								
Presentation at the Making a Difference in Infectious Diseases Pharmacotherapy meeting																									
Staffing 15 weekends per year (30 eight-hour shifts) and 2 Cleveland Clinic-Recognized Holiday Shifts																									
Participation in pharmacy residency on-call program: activities and number of shifts to be dependent on departmental needs (~15-20 twenty-four-hour shifts per residency year)																									
A resident must achieve for the residency (ACHR) all (100%) objectives in R1. A resident must ACHR 80% of the objectives in all other required domains. And by the end of the residency, there can be no objectives that are rated as Needs Improvement not followed by a Satisfactory Progress or Achieved during the residency.
