<sup>1</sup> Please note: projects, presentation preparation, and certain other activities will require you to invest time outside of a normal workday. This time is not scheduled as learning experience time. There is block project time in December, but residents will also have regularly scheduled project time each week (typically 1/2 day per week).

<sup>2</sup> Weekend and Holiday staffing is part of the Community Practice learning experience. See learning experience description and successful completion checklist for detailed requirements. Residents are assigned 14 Saturdays (9a-5pm) and 2 Cleveland Clinic recognized holidays (9a-5pm)
