After you determine your budget, it is essential to stick to it!

- Use a budgeting app Keep track of your spending right at your fingertips.
- Keep all bills and receipts organized – Sort by category and file them each month to keep track of what you have paid.
- Review where you are in your budget weekly – This will help ensure you are on target.
- Make a schedule...and stick to it

 Set days for when you pay or buy certain items. This way you are expecting it, e.g., buy your groceries on a set day twice a month.
