Kent Core Requirement	3		Consult with an Academic Advisor
General Electives	6		
<b>60-61 Total Credit Hours to Graduate with the ATS Degree from Kent State University</b>			

### GRADUATION REQUIREMENTS SUMMARY

**Minimum Total Hours:** 60 credit hours

**Minimum Kent Core Hours:** 15 credit hours

**Minimum Major GPA:** 2.000

**Minimum Overall GPA:** 2.000

Students must successfully complete 15 credit hours of graded Kent State coursework required for the A.T.S. degree before receiving any college credit for industry recognized licensures, certifications, or diplomas.

The Associate of Technical Study degree, Individualized Program, is open to students who need a specially designed course of study in a technical field. The program consists of courses that suit the students' career goals. Course requirements are planned with the help of a faculty advisor and must be approved by the dean of the College of Applied and Technical Studies.
