

## **Transfer Credit for Previous Education and Transferability of Credits**

Credits earned at Cleveland Clinic's School of Health Professions (SOHP) may not transfer to another educational institution. SOHP reserves the right to accept or reject any or all credits earned at prior educational institutions regardless of accreditation status or subject relatability. You should obtain confirmation that SOHP has evaluated credits you have earned at another educational institution before you execute an enrollment contract or agreement. You should also review the *transfer of credits policy* of any educational institution that you may want to transfer credits earned at SOHP. Be sure to have a transfer credit evaluation prior to executing an enrollment contract or agreement. The ability to transfer credits from SOHP to another educational institution may be very limited. Some or all credits may not transfer, and you may have to repeat courses at another educational institution that were previously taken at SOHP. Never make the assumption that credits will transfer to or from any educational institution. It is strongly advised to review and understand the *transfer of credit* policy of SOHP and of any other educational institutions you plan to attend before you execute an enrollment contract or agreement.

SOHP has developed articulation agreements with many academic institutions for various programs. The clinical hours contracted to transfer as credits to the academic institutions are outlined within each articulation agreement. For program specific information, visit the SOHP website.
