## Immediate Access to Leading Health Experts

You don't have time to sit on the sidelines. When you are injured or sick, you want the best treatment — fast. Because of this, we've established Sports Page Plus, an exclusive complimentary service designed to provide elite sports figures, executives, athletes and their families immediate access to all of the specialties at Cleveland Clinic.

Each year, elite athletes and executives from every sport across the world travel here for our world-class orthopaedic, sports health and rehabilitation care, as well as expert second opinions. We have one of the largest sports health practices in the nation, as well as expertise in every specialty.

**A call to one phone number, 877.468.3265, any time, day or night, gets our team in action.**

### **We will:**

- Schedule appointments, including second opinions;
- Confirm or reschedule travel arrangements, including private airport transportation to and from Cleveland Clinic;
- Reserve hotel accommodations;
- Arrange for any special services you may need, from interpreter services to leisure activities, for your family while they're here; and
- Schedule comprehensive executive physicals for you and your spouse, if you so choose.

We accept most types of insurance, and insurance counselors are available to help if necessary.

Sports Page Plus provides exclusive access to all Cleveland Clinic specialties, as well as to an Alcohol and Drug Recovery Center (ADRC) and chemical dependency programs.

***With Sports Page Plus, you get direct access to some of the world's top specialists — fast.***

**“Over the past 25 years,** I have looked exclusively to Cleveland Clinic Sports Health to provide objective opinions and quality treatment for my NBA clients. The Sports Page Plus program now makes the service and care available at Cleveland Clinic an even greater asset for me to offer my clients. I think the medical concierge staff and the Sports Page Plus program are one of the best in the sports medicine business.”

## Professional Team Experience

Cleveland Clinic Sports Health has provided the physicians for Cleveland’s professional teams for more than 25 years. Our staff consists of top orthopaedic surgeons, primary care sports physicians, nurses, physical therapists, athletic trainers, exercise physiologists, and strength and conditioning specialists — all who work toward preventing, treating and rehabilitating injuries so you can get back to your life.

## Premier Health Physicals: Comprehensive Program Prevents Future Problems

By calling Sports Page Plus, you can gain access to our Cleveland Clinic Executive Health Program and the Premier Health Physical. For busy sports executives on the go, these extensive programs offers an annual physical that can prevent future problems, as well as recognize conditions that may need attention now. Our programs utilize the full resources of Cleveland Clinic to give you fast, effective treatment to ensure you are on the road to an improved healthy lifestyle. For more information on our Executive Health offerings, go to [executivehealthprogram.com](http://executivehealthprogram.com).

## Second Opinions

We provide athletes and sports executives with expert second opinions to ensure recommended treatment is appropriate and the best available for the injury suffered. Our Sports Page Plus service can schedule second opinions.

But if you want a second opinion and don’t want to travel, [eClevelandClinic.org/myconsult](http://eClevelandClinic.org/myconsult) offers a second opinion from Cleveland Clinic specialists without ever leaving home. Using the Internet as a tool, [eClevelandClinic.org/myconsult](http://eClevelandClinic.org/myconsult) provides online second opinions, regardless of your location, eliminating the time and expense of travel.

Prevention **Plus** Rehabilitation

**We have treated athletes from:** AHL, EPL (English Premier League), MLB, MLS, NBA, NCAA, NFL, NHL, PBA, PGA, USA Boxing, USA Hockey, the US Olympic Team and WNBA.

## About Cleveland Clinic in Cleveland, Ohio

Year after year, Cleveland Clinic physicians pioneer medical breakthroughs that influence the practice of medicine around the world. As a result, Cleveland Clinic has been ranked the No. 2 hospital in the nation by *U.S. News & World Report*. Our Orthopaedics Program, including Sports Health, is ranked among the top three.

Thousands of patients travel to Cleveland Clinic annually from every state in the nation and more than 80 countries around the world. Our 3,400 physicians and scientists in 140 specialties and subspecialties — many of them leaders in their fields — are as committed to patient-centered care as they are to excellent outcomes.

Cleveland Clinic is organized into institutes to enhance collaborative care and research. Among the 42 buildings on our 165-acre main campus are the Sydel and Arnold Miller Family Heart & Vascular Institute, Glickman Urological & Kidney Institute, Taussig Cancer Institute, Cole Eye Institute and Lerner Research Institute. Our Cleveland Clinic Lerner College of Medicine trains physicians of the future.
