Dear Supplier:

Welcome and congratulations on being selected as a Cleveland Clinic vendor. We are a not-for-profit, multi-specialty, academic medical system that integrates clinical and hospital care with research and education.

Cleveland Clinic hospitals are engaged in an evolving process to refine our supplier base by establishing relationships with suppliers that share our values and dedication to excellence. This handbook has been developed to provide your organization with important information in order to effectively conduct business with Cleveland Clinic. As a supplier, your company and its representatives are subject to the policies and procedures contained in this Handbook.

Cleveland Clinic is at the leading edge of science, medicine and surgery expanding and growing with new technology. We look forward to your contributions to our continued success. After reviewing the handbook, please contact Cleveland Clinic Supply Chain Management Department at 216-448-8000 if you have any questions or concerns.

Vision and Mission Statements

Vision: Striving to be the global leader in healthcare supply chain through collaboration and innovation.

Mission: Empowering caregivers to deliver world class healthcare, research and innovation focused on “Patients First” by providing optimal resources at the best value.

Supplier Information

This handbook has been created to provide your company with important information you will need to effectively conduct business with Cleveland Clinic. If you are a new Cleveland Clinic supplier, you should have already completed the Vendor Demographic Process.

If you have not completed this process please contact Cleveland Clinic Supply Chain Management office at:

Cleveland Clinic

Conduct all negotiations with Supply Chain Management and negotiate in an ethical manner.

Only the Supply Chain Management Department at Cleveland Clinic can award official agreements for goods and services. Agreements that are not signed by Supply Chain Management and may adversely impact your ability in receiving payment for goods and/or services rendered.

Do not offer Cleveland Clinic staff money, loans, credits or prejudicial discounts, gifts, entertainment, favors, products or services for their personal use or benefit. Cleveland Clinic policy prohibits any employee from receiving gifts and/or gratuities from any supplier. Please express your gratitude in terms of quality, service and price.

Food and beverages may not be provided by any supplier, vendor, or Vendor Representative to any employee (including physicians, nurses, pharmacists). Vendor Representatives may not make food arrangements, orders or deliveries, or directly pay for delivered food, or provide payment in any form.

Make available, through Supply Chain Management, technical information, engineering support, systems, policies, procedures, processes, products, warranties and services that may improve Cleveland Clinic's use of the supplier's products and services.

Advise Supply Chain Management of new products, pricing and services as such

information becomes available.

Treat all transactions and dealings with Cleveland Clinic as confidential and proprietary and do not communicate Cleveland Clinic's relationships or business dealings to third parties without Cleveland Clinic's written consent.

Adhere to Cleveland Clinic's policies and procedures.

Do not use Cleveland Clinic's name or logos in publicity or advertising without Cleveland Clinic's prior written consent. Make application through our office.

Complete Center for Online Medical Education and Training (CTEKI/COMET) modules as assigned.

Current suppliers who are reporting spend information can login to the reporting system (<https://app.suppliergateway.com/clevelandclinic/Login.aspx>). If you need assistance with login information or a specific spend reporting inquiry, please contact our portal support team at sgsupport@suppliergateway.com or 216.432.6922.

Visits within Cleveland Clinic

Vendor Credentialing Process and Definitions

Vendor Representatives must adhere to the following guidelines in order to obtain a Cleveland Clinic ID badge. The ID Badge is for identification purposes, safety and security.

Patient Care Facility- Includes but is not limited to all hospitals and medical facilities. Hospitals includes all Cleveland Clinic inpatient units, and other related facilities such as laboratories, outpatient departments, extended care facilities, self-care units, central service facilities, and education and training facilities operated in connection with hospitals. Medical facilities include but are not limited to outpatient facilities (e.g. Family Health Centers, Medical Office Buildings, and Ambulatory Surgery Centers), rehabilitation facilities, and Long Term Care facilities.

Upon verification of the above referenced documentation, Vendor Representatives will be eligible for an identification badge upon sign-in at a CC facility. Vendor Representatives without a valid ID badge will be denied access to any area, including the OR, under any circumstances.

Compliance Requirements

All Vendor Representatives are required to:

Complete annual online compliance courses through Center for Technology-Enhanced Knowledge and Instruction (CTEKI/COMET). Upon completion of registration in GHX/Vendormate please be aware it can take 3-5 days for your CTEKI/COMET login credentials to be created and forwarded to you.

All sales and service calls to Cleveland Clinic are to be scheduled in advance. Upon arrival, all Vendor Representatives must first sign-in and print a badge through the GHX/Vendormate system then proceed to the specified appointment area only. Upon completion of the appointment Vendor Representative must sign-out in the

GHX/Vendormate system.

All Vendor Representatives will display prominently, above the waist, photo facing front, an ID Badge when visiting, in any capacity to any Cleveland Clinic facility. The ID Badge, in conjunction with a scheduled appointment, is the official indication of an authorized visit.

Other identification tags as furnished by some companies may be worn, but in no case are they to be used in lieu of an ID Badge issued by Cleveland Clinic. Failure to register with the GHX/Vendormate Vendor Management System and failure to display prominently the ID Badge are serious infractions of our Cleveland Clinic Vendor Visitation and Interaction Policy and may result in being escorted off Cleveland Clinic property.

Vendor Representative shall adhere to any specific criteria outlined by the particular entity he/she has a previously scheduled appointment. Some departments have procedures or policies that conform to the nature of the work done in their areas. Please become familiar with them.

Nursing floors, lobbies, dining rooms, and fellow reading rooms are inappropriate places for vendor visits.

Calls to the surgical centers may be made only in certain designated areas.

Vendor Representative GHX/Vendormate information and documentation must be renewed annually and upon changing employers.

Access to the OR

The following apply to any Vendor Representatives entering an Operating Room (OR):

Vendor Representative access to the OR's will only be given following a physician or nurse manager's request that a vendor be present in the OR on a specific date and time.

Vendor Representatives must be placed on the OR surgery schedule by the service line nurse manager prior to the scheduled visit. The physician must notify the service line nurse manager of the requested vendor visit.

Approved vendors will be placed on an Outlook calendar by the service line nurse manager.

Vendor Representatives not on the OR Outlook surgery schedule must provide the name of the physician or nurse manager who scheduled the visit. An attempt will be made to reach out to the physician or nurse manager and a decision will be made if they are needed in the OR.

If the vendor has not been requested the vendor must leave the OR area immediately.

Daily colored stickers must be displayed.

Non-Compliance

Violations of these guidelines and/or the Vendor Visitation and Interaction Policy (Appendix A) may be handled through progressive discipline and could result in complete loss of visiting rights to Cleveland Clinic. Any observed or reported violation of the policy may be handled in the following manner:

Vendor Representatives who fail to comply with CC policies will be subject to disciplinary action up to and including permanent loss of business privileges.

Continuous infractions or repeated violations to this policy by Vendor Representatives may result in suspension, a request to replace company representatives, and possible loss of business privileges at CC.

Violations committed by any one Vendor Representative of a given company may result in disciplinary action against any or all representatives of that company.

Disciplinary action may vary depending upon the nature of the infraction and the circumstances surrounding the offense. Supply Chain Management reserves the right to determine the severity of the infraction and will use its discretion when assessing and determining the proper course of disciplinary action. Consequences may vary depending on the severity of the infraction.

Supply Chain Management will notify vendor of the violation, the determined level of infraction, and the planned course of disciplinary action.

Duration of restriction of all activity and service calls may be 3 months, 6 months, one year, or permanent depending on extent of the infraction. Certain situations may require deviation from the guidelines outlined in the policy. Vendor Representatives can be banned from CC permanently regardless of Vendor Representative's employer.

Supplier Diversity

Cleveland Clinic is committed to reaching out to organizations that meet and support Supplier Diversity. Through Supplier Diversity strategy, Cleveland Clinic aims to provide equal access to potential business opportunities for, businesses owned by women, minorities, veterans, LGBT, and those located in HUBZones.

It is the practice of Cleveland Clinic to seek out and provide contracting opportunities to, and document the use of diverse 2nd Tier Suppliers (as defined below) by following the contractual standards set forth below. During the Term of the Agreement, Supplier/Contractor will:

Set a target to spend a minimum of ten percent (10%) of the monies billed by 1st Tier Supplier pursuant to this Agreement (including the cost of subcontracting work to

other vendors, suppliers and contractors) with diverse 2nd Tier suppliers for products and services which are directly related to the services under this Agreement.

When reporting direct diverse tier 2 spend, submit an action or sub-contracting plan, to Company's satisfaction, detailing the scope(s) of work to be performed by diverse 2nd Tier Suppliers, including the ethnicity, gender, names and contact information of such Suppliers and provide monthly (or at a minimum, quarterly) reports to Company's Office of Supplier Diversity at <http://app.suppliergateway.com/clevelandclinic>.

Demonstration of Compliance:

Company reserves the right to audit compliance with these requirements on reasonable advanced notice at the expense of Company.

Definitions

1st Tier Suppliers - suppliers and contractors directly engaged in a contractual arrangement with Cleveland Clinic to provide goods and/or services.

2nd Tier Suppliers - suppliers and subcontractors directly engaged in a contractual arrangement with the 1st Tier Suppliers (Prime Suppliers) as defined above, in order to realize a partnership between Cleveland Clinic and Prime Suppliers under which Prime Suppliers subcontract a portion of their contractual arrangements with Cleveland Clinic directly with diverse suppliers and contractors.

For Supplier Diversity inquiries, please call 216-448-8055 or send an email to supplierdiversity@ccf.org.

Appendix B – Frequently Asked Questions – GHX/Vendormate Process

You must register in the GHX/Vendormate credentialing system to access our facilities and be eligible for business with Cleveland Clinic. Every representative from your company who interacts with Cleveland Clinic is required to create a profile. We appreciate you giving our vendor registration program priority so that we can work together more effectively.

Through Cleveland Clinic GHX/Vendormate Program, you can provide electronically the information we need to continually, including but not limited to:

- Communicate our unique and most current business policies with you,
- Ensure we have the most accurate contact information for you and the latest information on your business and capabilities,
- Screen vendors and representatives against state and federal sanction lists, and
- Manage access to our facilities and patient care areas based on immunization, training, and compliance status.

GHX/Vendormate Registration

Who is required to register in GHX/Vendormate?

All on-site Vendor Representatives currently doing business with Cleveland Clinic are required to register in GHX/Vendormate, including but not limited to clinical and non-clinical representatives, Pharmacy representatives and consultants.

How do I register in GHX/Vendormate?
