

Cleveland Clinic Sports Health Presents:

Sideline Guidelines

for the Sports Medicine Professional

August 7-8, 2015

Cleveland Clinic Administrative Campus, 25900 Science Park Dr, Building 4, Beachwood, OH 44122

Course Description

This uniquely designed course will offer the attendee guidelines in making return to play decisions and managing various acute athletic injuries as a health care provider on the athletic sideline.

Cleveland Clinic Sports Health is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers. This program has been approved by the NATABOC (#P410) for a maximum of 10.5 hours of Category A continuing education. Certified athletic trainers are responsible for claiming only those hours actually spent participating in the continuing education activity. This is an intermediate level course.

This course is being submitted to the OPTA for approval of 10.5 hours of continuing education.

Course Objectives:

- * Manage game day decision making on diagnosis and return to play
- * Improve athletic training room decision making regarding treatment and anticipated return to play
- * Increase awareness of medical and orthopaedic diagnoses that preclude return to play
- * Gain knowledge in a focused physical exam for the upper extremity and lower extremity to diagnosis injuries
- * Increase skills in managing the "downed athlete" including spine boarding
- * Recognize and assess common medical emergencies
