Eligibility
In general, eligibility for benefits described in this Summary are extended to:
- Regular full-time employees: scheduled 72 to 80 hours per pay period
- Regular part-time/weekender employees: scheduled 40 to 71 hours per pay period

To further assist you with your retirement savings, Cleveland Clinic offers eligible employees (full-time, part-time, and PRN) a Savings & Retirement 403(b) Plan, which provides you with the opportunity from your date of hire to defer some of your earnings on a pre-tax basis. After completing two years of service, if you are making pre-tax contributions, Cleveland Clinic will begin making matching contributions on your behalf at 50 cents for each dollar — up to 6% of pay contributed. You are always 100% vested in your contributions as well as in any Cleveland Clinic matching contributions. BeneFlex Program

During the calendar year, you are eligible to change your BeneFlex selections within 31 days of a “life event” (such as marriage, divorce, birth, etc.). Cleveland Clinic also provides an annual open enrollment period so that you have the opportunity to customize your BeneFlex options as your needs change.

Health Plans

In recognition of how important healthcare coverage is to our employees, the BeneFlex Program provides several choices for your consideration. Health plan options are the same throughout Cleveland Clinic except for Kaiser HMO, which is only offered at some locations.

Included in each of the health plans is the availability for you to access the CCHS Physician Organization, which is comprised of a comprehensive network of medical professionals, including Primary Care Physicians (PCPs), specialists, hospitals and other healthcare providers. There are no pre-existing condition exclusions in any of the health plans offered by Cleveland Clinic.

Prior authorization may be required for non-generic drugs. As an enhancement, members using designated Cleveland Clinic Outpatient Pharmacies will receive additional savings for generic, preferred brands, and non-preferred categories. After reaching a $100 single deductible or $300 family deductible, the plan reimbursement is as follows:

The CIGNA Dental Care Plan is a Dental HMO with no charges for most preventive services, no deductibles, and no annual or lifetime maximums. The Traditional Plan provides coverage for all types of dental services, while the Preventive Plan is designed for individuals who only need preventive and basic services. With the CIGNA Dental PPO you may choose any provider. If you use network providers, your co-payments will be less due to the discounted rates the CIGNA network providers have agreed to accept.
