What is Cleveland Clinic MyChart®?

Cleveland Clinic MyChart® is a secure, online tool that connects you to personalized health information from the privacy of your home at any time, day or night. Cleveland Clinic MyChart® also alerts you to important, institutionally-determined health-related reminders to help you better plan the details of your ongoing health care.

You, and only you, can access your MyChart® account. The information is encrypted, which means it is stored in such a way that it can only be unscrambled after you enter the correct password.

Urgent Medical Matters

Cleveland Clinic MyChart® should never be used for urgent medical matters.

For all urgent medical matters, contact your physician's office by telephone, go to an emergency room, or call 9-1-1.

Please do NOT send any message to the mychartsupport@ccf.org email address regarding your health or health-related issues. Messages sent to this email address will not be reviewed by your physician or any clinical staff.

About Cleveland Clinic

Cleveland Clinic, founded in 1921, is a nonprofit, multispecialty academic medical center that integrates clinical and hospital care with research and education. Today, more than 2,700 Cleveland Clinic physicians and scientists practice in 120 medical specialties and sub-specialties, annually recording more than 4 million visits from patients across the United States and from more than 80 countries.

Cleveland Clinic's main campus, located in Cleveland, Ohio, and comprising 180 acres and 50 buildings, includes a 1,300-bed hospital, outpatient clinic, subspecialty centers with supporting labs and facilities, an education division and a research institute. Cleveland Clinic also operates 18 family health centers; eight community hospitals; a children's hospital for rehabilitation; one affiliate hospital; a 150-bed hospital, outpatient clinic and education facilities in Weston, Fla.; health and wellness centers in Palm Beach, Fla., and Toronto, Canada; and the Lou Ruvo Center for Brain Health in Las Vegas. Cleveland Clinic Abu Dhabi is a partnership between Cleveland Clinic and the government and people of Abu Dhabi, United Arab Emirates. Scheduled to open in 2013, Cleveland Clinic Abu Dhabi will serve patients in an environment that combines excellent amenities with world-class medical care.

Cleveland Clinic is consistently ranked among the top hospitals in America by U.S. News & World Report, and our heart and heart surgery program has been ranked No. 1 since 1995. Please visit ClevelandClinic.org for more information.
