CME Symposium - Osteoporosis, Diagnosis, Treatment and New Information for Technologists. Cleveland Clinic Foundation, Cleveland, Ohio.

1. “Epidemiology and Diagnosis or Osteoporosis and ISCD Guidelines 2005”.

11/7/05 - “Interview on Male Osteoporosis”. Cleveland Clinic Medical Monday. Television interview on local TV3 broadcast live.

11/10/05 - “Osteoporosis in Men”. Medical Grand Rounds, Cleveland Clinic.

11/14/05 - Interview by Ohio Health Network, live TV broadcast.

Discussion: Osteoporosis. MBNA Intercontinental Hotel, Cleveland, Ohio.

12/7/05 - Lung Transplant Retreat, Transplant Center, Cleveland Clinic

“Bone Health and Osteoporosis Management in Pre and Post Lung Transplant Patients”.

5/4/2006 - Cleveland Clinic Bone Marrow Transplant Retreat. Lerner Research Institute.

“Osteoporosis and the Bone Marrow Transplant Recipient”.
Rula Hajj-Ali

1- Visiting Professor- Grand Rounds, Department of Internal Medicine, University of Caracas, Venezuela

2- Visiting Professor for Grand Rounds, Department of Internal Medicine, Hammoud University Hospital, Lebanon

3- Invited Speaker, Lebanese Society of Rheumatology.

4- Grand Rounds, Department of Internal Medicine, American University of Beirut, Lebanon

Philip Hashkes, M.D.

Lab tests in pediatric rheumatology via case presentations. Pediatric Grand Rounds. Fairview Hospital, 9/9/05.

Juvenile idiopathic arthritis. Pediatric Grand Rounds and Visiting Professor, Toledo Medical College 3/23/05.

American College of Rheumatology: Genetic syndromes in pediatric rheumatology. November 2005

Elaine Husni, M.D.

Omeract 8 (outcomes assessment in rheumatoid arthritis clinical trials), Chair, Psoriatic Arthritis module

Carol Langford, M.D.

Univ California San Francisco: Rheumatology Board Review 9/05

Rheumatology Network of Indiana 10/05
Am College of Rheumatology Natl Meeting, San Diego CA 11/05

Annual Clinical Review Course: Update on Vasculitis

Course Organizer and Invited Lecture: ACR/ABIM Recertification Course 11/05

Duke University Medical Center Rheumatology Grand Rounds 12/05

University of Indiana. Medical Grand Rounds 1/06

Am College of Rheumatology Winter Meeting, Colorado, 1/06

   Cryoglobulinemic Vasculitis and Vasculitis Mimics

Akron City Hospital. Introduction to Vasculitis 2/06

NEOUCOM. Update on Wegener’s granulomatosis 2/06

AAAAI National Meeting. Clinical Symposium 3/06

   Clinical Recognition of Vasculitis

Univ Massachusetts Rheumatology Grand Rounds 3/06

   Wegener’s granulomatosis

Am Academy of Allergy, Asthma and Immunology Certification Course 4/06

   Vasculitis

Course Organizer and Invited Lecture: ACR/ABIM Recertification Course 4/06

Cleveland Clinic. 16th Annual Cleveland Review of Rheumatic Disease Symposium and Mini-
Symposium on B Cell Therapeutics and Inflammatory Disease States. 4/06

B Cell Depletion in Systemic Vasculitis and Treatment of Vasculitis Relapse

Digestive Diseases Week 5/06

   Treatment of Hepatitis C Associated Cryoglobulinemic Vasculitis

Brian Mandell, M.D.
Indiana University Medicine Clinical Teaching Retreat - lecturer

Clinical Gout - Summa Health system

Introducing Algorithms into Gout Care - Primus Health lecture (Norfolk, Va)

Case based Discussion of Gout Management - Primus health lecture (Newark, NJ)

Uveitis and the Internist - Cole Eye Center annual course - lecturer

SUNY and LIRA lectures - Lore of the Gout and Case based discussion

Georgetown and INOVA medical center - grand rounds and visiting professor - Lore of the Gout; Vasculitis Unravelled; Board Simulation rheumatology

Perioperative Management of patient with rheumatic disease - Thomas Jefferson Univ/ACP annual course

ACP Board Recertification Review Course - Rheumatology lecture

Annual California Rheumatology Association - Gout Update

CC Intense Review of Internal Medicine Annual Course - co-director; Acute Arthritis; Medical Orthopedics; Board Simulation in Rheumatology

Cleveland Review of Rheumatic Disease – What’s New in Gout

Medical University S Carolina - Visiting professor; Vasculitis Cases, Synovial Self assessment

CC Perioperative Summit - When the Patient with a rheumatic disease goes to surgery

Primus CME program Philadelphia- Gout and Hyperuricemia

Assoc Family Practice National Meeting San francisco- Optimizing the clinical management of patients with gout

North Shore/Long Island Jewish Rheumatology GR - The Gout.

ACP International Education Program - Mexico City - Osteoarthritis; Rheumatoid Arthritis
Raymond Scheetz, M.D.

Polymyalgia Rheumatica - Euclid Hospital Grand Rounds - September 29, 2005.
