

# Summary of Financial Assistance

**Ohio Hospital Care Assurance Program (HCAP).** As a participant in the HCAP Program, we offer medically necessary services in our hospitals free of charge if you are a resident of Ohio and either (1) you are currently an eligible recipient of the General Assistance or the Disability Assistance Programs or (2) your income is at or below 100% of the Federal Poverty Guidelines (the FPG).

The following is a summary of financial assistance available at the Cleveland Clinic Rehabilitation Hospital.

**Financial Assistance Offered. If you do not have insurance,** we provide financial assistance for medically necessary care as a discount from our normal charges if your family income does not exceed four times the FPG and you are a resident of Ohio. All applicants will be screened for Medicaid coverage and must cooperate with the Medicaid representatives to be considered for financial assistance. If you are eligible for financial assistance under our Policy, you will receive free or discounted assistance according to the following income criteria:

- If your annual family income is up to 250% of the FPG, you will receive free care,
- If your annual family income is between 251% and 400% of the FPG, you will receive care discounted to the amount we generally bill insured patients for such services.

Even if you have insurance, as long as you meet our income criteria, you will be eligible for financial assistance if: your insurance does not provide coverage for the medically necessary services you are seeking or you have exhausted your lifetime maximum insurance benefits.

**Additional Ways to Qualify. If you do not meet the income criteria above, regardless of your insurance status or state of residence,** you will be considered on a case-by-case basis for financial assistance under the following circumstances:

- **Exceptional Circumstances.** If you have an extreme personal or financial hardship, you may contact us to be considered for financial assistance.

- **Special Medical Circumstances.** If you are seeking treatment that can only be provided by CCRH medical staff or you would benefit from continued medical services from CCRH for continuity of care, you will be considered on a case by case basis for financial assistance for that specific treatment.

**Charges Will Not Exceed Amounts Generally Billed.** If you receive financial assistance under our Policy, you will not be charged more for medically necessary care than the amount we generally bill patients having Medicare coverage.

**How to Obtain Copies of Our Policy and Application.** You may obtain a copy of our Policy and the Financial Assistance application form: (1) on the Cleveland Clinic's website at [www.ccf.org/financialassistance](http://www.ccf.org/financialassistance), and (2) in our admissions area.
